SI SHIVPRIYA INTERNATIONAL

PREMIUM GLOBAL EXPORTS

The Essence of Indian Quality

A premium portfolio of high-grade spices, dry fruits, and grains — meticulously sourced and processed for the discerning international market.

2026 PRODUCT PORTFOLIO

Farming Practices

Our Commitment to Quality at the Source

INTEGRATED PEST MANAGEMENT

Modern biological methods that ensure crop health while minimizing chemical intervention.

CONVENTIONAL FARMING

Rigorous standard farming practices across India's premier spice belts ensuring global compliance.

CERTIFIED ORGANIC

Natural nutrient management and heirloom seed preservation delivering chemical-free premium spices.

OI

RED CHILLI

The Soul of *Indian* Heat

Red chillies are small, bright red peppers prized for their bold, fiery taste. Used across global cuisines to add heat, depth, and color to dishes, they can be enjoyed fresh, sun-dried, or finely powdered. We provide premium quality for international markets.

CUMIN

The Aromatic *Heart* of Cuisine

Cumin is an aromatic spice derived from the dried seeds of the *Cuminum cyminum* plant, known for its warm, earthy, and slightly peppery flavor. Widely used in Indian, Middle Eastern, Mexican, and North African cuisines. We provide premium export-grade cumin.
